Attention: Claims Division

Gentlemen:

Under date of 19 August 1952, this office addressed a claim to you for \$37.00, for damages to a 1948 Ford Panel Truck, License No. U.S. 3180, owned by the United States Government as represented by the Central Intelligence Agency, arising out of an accident on 14 March 1952 with your insured.

STATOTHR

[redacted]  
Virginia, on Constitution Avenue and 16th Street, N.W., Washington, D. C. Enclosed therewith were three estimates of damage to our vehicle.

Since our investigation indicated that your insured was clearly responsible for the accident in that he pulled to the right out of a line of traffic that was standing for a left turn and collided with the left rear fender of our vehicle, which was passing in the next lane, it was requested that your check in settlement of the claim, made payable to the Treasurer of the United States, be transmitted to this office. To date we have received no reply to that communication.

It is requested that we be advised of the action taken on this claim.

Sincerely yours,

[redacted]  
Office of General Counsel
